

2012 Student Award

At our annual meeting this year the membership voted to again offer a monetary award to a graduating senior or college student. The rules are simple, in 250 words or less write about "MY THOUGHTS ON WORTHELY POND". Entries must come from a student of a parent or grandparent who have been members of the Worthley Pond Association for at least 3 consecutive years. The award will be \$500.00 and will be awarded to a qualified applicant at the beginning of the second semester of their college year. We will need to see a copy of the student's grades or receipts before you can receive the award.

Entries should be sent in by March 30th to:

Worthley Pond Association
